**Guide for customization of your customer page**

*(and other options)*

**Example of a customer page with all options:**

*(customer "witness")*

<table>
<thead>
<tr>
<th>Label</th>
<th>Technical data sheet</th>
<th>Product</th>
<th>Category</th>
<th>Product compliant with Regulation</th>
<th>Further information</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td>Ce produit est testé</td>
</tr>
</tbody>
</table>

The images, photos and other visuals as well as data sheets, generic certificates, etc., contained in the website [www.inputs.bio](http://www.inputs.bio) and related to the products and manufacturers are supplied by the manufacturers themselves.

Ecocert does not carry out the verification of these documents and cannot be held responsible for their content and any inaccurate, incomplete and/or outdated information they contain or any infringement of intellectual property rights associated with them.
Steps to use your options:

1- Connect to your personal page

2- Once connected:

> you can access and modify all the options available

1- Update the address of your society

2- Update your website

3- Update your contact details (email, phone, contact)

4- Add your images (logo or other image representing your company)

5- Add your documents (Enological inputs only)

6- Add your technical sheets (direct link to your website)

7- Display of your options (for your information)

8- Setting up your notifications

Then « Update » each change for take into account

Addition of your labels is made by us
(See details on next page)
3- Preview of your page:

To view the changes made, click on **Display my page**

The display is exactly the same as what your customers can see:
